PROFILE

UX/UI and Product Designer with 6 years of experience designing complex interfaces for SaaS, e-commerce, healthcare and HR tech. I work AI-native, with agents in my IDE, and take an idea to a working prototype on my own.

CORE COMPETENCIES

SKILLS: Product design, UX/UI, UX research, prototyping, design systems, web design, art direction, UX audits, motion design, brand identity, pitch decks, project management

TOOLS: Figma, FigJam, After Effects, Photoshop, Illustrator, InDesign, HTML, CSS, Webflow, WordPress, Vercel, Jira, Notion, Obsidian, Google Analytics, Hotjar, Microsoft Clarity

AI TOOLS: Claude Code, Antigravity, Krea, Magnific, Midjourney

EXPERIENCE

Karts Design, UX/UI & Product Designer — Jun 2025 – Present

End-to-end design of web and mobile products for clients in Poland and Finland

- Led the redesign of Bondata, an HR analytics web app for managers in Finland.
- Led art direction and the design system for Evoke v2, an AI companion for mental health.
- Designed Your Vet, a vet booking marketplace, from competitive analysis to launch.
- Built a design system or UI kit for each product.
- Pitched the work to clients and defended design decisions.

Results:

- Bondata: ~40 views and 25 chart types redesigned; applying a filter 3 steps → 1.
- Your Vet: launched; clinic calendar view 1.5 h → 4.5 h after review with clinic staff.
- Evoke v2: 11 app sections on one design system, handed off to development.

Independent, Freelance Designer — May 2021 – Present

Client work alongside full-time roles, mostly through Upwork

- Consulted a company on the product design of their app.
- Designed responsive websites and the brand systems around them.

Naima sp. z o.o., Web/Graphic Designer (Łódź) — Nov 2020 – Feb 2025

In-house designer for websites, newsletters, print and brand

- Designed and built websites and newsletters.
- Produced print and digital materials: brochures, flyers, maps, banners.
- Developed visual identities and kept them consistent across channels.

SIDE PROJECTS

Dishcover, recipe app (iOS, Android) 2025

– Designed it solo, end to end: research, user flow, UI and design system.

Results:

– 100+ screens in light and dark in 3.5 months.
– 50K+ views and 2.3K appreciations on Behance.
– Picked up by a developer and now in development.

wlad.design, my portfolio site: designed in Figma, built with Claude Code.
